IPC MEDIA IPC Media

<http://www.ipcmedia.com/about/>

IPC Media (formerly International Publishing Company UK Ltd) is one of the United Kingdom's leading consumer magazine and digital publishers, with a large portfolio selling over 350 million copies each year. It was formed as International Publishing Company UK in 1963 from the amalgamation of the holdings of three companies: the British division of the original IPC (International Publishing Company J-M Ltd. which still operates under this name in Jerusalem, Paris and New York), George Newnes, Odhams Press and Fleetway Publications. In 1968 the company bought the Daily Mirror and became the IPC-Mirror Group. It was then purchased itself in 1970, by Reed International (later Reed...
