5) Authorize access to your ORCID profile by the National Information Processing Institute.

The image shows the ORCID 'Authorize access' interface. At the top left is the ORCID logo, and at the top right is the title 'Authorize access'. Below this, it says 'You are currently signed in as:' followed by a blurred profile picture and the URL 'https://orcid.org/0000-0001-9159-0285'. There is a 'Sign out' link. A horizontal line separates this from the next section, which says 'National Information Processing Institute' with a question mark icon, followed by 'has asked for the following access to your ORCID record:'. Below this, two permissions are listed: 'Add/update your research activities (works, affiliations, etc)' with a gear icon, and 'Read your information with visibility set to Trusted Organizations' with an eye icon. At the bottom of the permissions list are two buttons: 'Authorize access' (highlighted with a red border) and 'Deny access'. Below the buttons, there is explanatory text about the authorization and links to the privacy policy and account settings.
