A screenshot of the user profile page. The top section shows a profile card with fields for 'Login', 'Imię', 'Drugie Imię', and 'Nazwisko'. Below this is a table for 'Role' with columns 'Nazwa roli', 'Identyfikator obiektu', and 'Status'. The 'Podłącz profil' section contains a button with a plus sign and 'POL-on'. A red text annotation points to this button: 'Type in your PESEL number or, in case you don't have one, your country code and ID document number.' A modal dialog titled 'Podłącz swój profil POL-on' is open, containing a text input field and 'ANULUJ' and 'PODŁĄCZ' buttons. A red arrow points from the text annotation to the input field. Below the modal, a preview of the connected profile is shown with fields for 'POL-on', 'PBN-ID:', 'Imię i Nazwisko:', 'Tytuł naukowy ["MGR"]', and 'Jednostki Naukowe:' with a dropdown menu.
